Questions: 216.444.2200

Cleveland Clinic is one of the largest and most respected hospitals in the country. Our mission is to provide better care of the sick, investigation into their problems, and further education of those who serve. Learn more about our leadership, vision, values and model of healthcare. Cleveland Clinic is a nonprofit, multi-specialty academic medical center that integrates clinical and hospital care with research and education. Today, with nearly 1,400 beds on Cleveland Clinic main campus and 5,895 beds system-wide, Cleveland Clinic is one of the largest and most respected hospitals in the country.

University Hospitals

<https://www.uhhospitals.org/>

For appointments/referrals: 1-844-525-4408 (1-844-700-8022), 216-UH4-KIDS (866-705-1462)

For general information: 216-844-8447 or 1-888-844-8447

University Hospitals is one of the nation's leading health care systems and has received numerous awards and recognitions from some of the most prestigious institutions in the country for our leadership and exceptional patient outcomes. The System's 1032-bed, tertiary medical center,

University Hospitals Cleveland Medical Center, is an affiliate of Case Western Reserve University. Included on UH's main campus are University Hospitals Rainbow Babies & Children's Hospital, among the nation's best children's hospitals; and University Hospitals Seidman Cancer Center, part of National Cancer Institute-designated Case Comprehensive Cancer Center at Case Western Reserve.

Cleveland Department of Public Health

<http://www.clevelandhealth.org/>

75 Erievue Plaza Cleveland, OH 44114-1839
Main (216) 664-2324 Fax (216) 664-2197

Cleveland Department of Public Health (CDPH) is the local public health agency for the City of Cleveland. Formally established in 1910, the department is charged with improving the quality of life in the City of Cleveland by promoting healthy behavior, protecting the environment, preventing disease, and making the City a healthy place to live, work, and play. The Cleveland Department of Public Health is made of a range of programs providing clinical, environmental, health promotion, and population-based services. The department has an annual budget of \$21 million and is staffed by 180 full- and part-time employees.

Cuyahoga County Board of Developmental Disabilities

<http://www.cuyahogabdd.org/>

Although the community knows the Board of DD best for adult activities centers and group homes, we offer a full range of services, everything from in-home early intervention programs for very young children and their families to leisure programs for seniors and specialized therapies (speech-language, occupational and physical), psychological services, support administration, family resources and respite care, supported living, vocational training, community employment, rehabilitation engineering and crisis intervention.
